

YOUR PHARMACY. STRONGER.

KENYA'S FIRST COORDINATED COMMUNITY PHARMACY NETWORK

Independent pharmacies
across Kenya are joining
forces — buying better,
serving more, earning
more.

WHAT YOU GET

NETWORK ACCESS

Connect to a coordinated supply chain with fellow pharmacies countrywide. Better stock availability, reduced shortages, and the power of collective purchasing.

BANKING INFRASTRUCTURE

A dedicated pharmacy business account with our banking partner. Build your financial history. Unlock better credit terms over time.

EMBEDDED CREDIT

Access a revolving stock credit facility — order today, pay when you sell. Designed for how pharmacies actually operate.

BETTER DEALS ON STOCK

Volume aggregated across the network unlocks wholesale pricing you cannot access alone. Savings shared back to you.

HOW IT WORKS

1. Sign up — no upfront fees, no complicated protocols
2. Connect to the platform and place your first order
3. Receive stock at your door via our courier network
4. Pay from sales. Grow your credit limit over time

Community pharmacies are the first point of care for most Kenyans. Kendrug Agencies ensures you have the stock, the credit, and the infrastructure to serve your patients — every day.

WHO SHOULD JOIN

Kendrug is designed for licensed community pharmacies across Kenya that:

- 👍 Stock essential medicines — malaria, reproductive health, paediatrics
- 👍 Want more reliable supply without cash flow pressure
- 👍 Are ready to grow with a supportive network behind them
- 👍 Serve communities that depend on them as primary healthcare providers

Pilot now launching. Limited pharmacy slots available.
